

NEWMARKET MINOR HOCKEY ASSOCIATION

Rep Hockey Age Exemption Policy (Revise March 14, 2017)

The NMHA will allow athletes to try out for 1 birth year higher than his/her current age group with written permission from the NMHA by a date set each year by the NMHA. Athletes will have to tryout at the older AA level and if cut from AA, must return to his/her age group. The athlete is to purchase 2 passports (one for his/her age group and one for the older age group) and attend tryouts at both age groups, including the first tryout (HL/AE/New Player) for the older age group. He/She must be considered a top 3 player on the older aged AA team by all team selection members in order to be selected for that team.

The NMHA reserves the right to accept or deny any application to play up an age group and reserves the right to make exceptions to the above mentioned policy.
