

NEWMARKET MINOR HOCKEY ASSOCIATION

RED HOT HOCKEY

Formed Oct 3, 1956

Record & Information Book **1956-2020**

...Introduction

Newmarket can trace its hockey from the first ice rink in November of 1879 to the multi-rinks at the Magna Centre which opened in September of 2007. The town has provided the community and its hockey players with excellent surfaces and facilities for over 130 years. With the formation of the Newmarket Minor Hockey Association in October of 1956 we are now celebrating over 60 years “... to facilitate maximum participation by as many players as possible”.

Listed are the accounts of players and teams in both house league and representative games over the years. As well, sponsors names are documented and preserved as they provide a history of the town's commerce onto itself. The wealth of information collected is not surprising. We may very well be the only association in the GTA that records its history. Maybe in all of Ontario. And we have it all. And there's more to come. More history of the sport, players and team sponsors to come.

History of Hockey in Newmarket

Originally ice surfaces were constructed next to the East Holland River. The flow was diverted to wooden forms, then Mother Nature would maintain the cold. Finally the structure was hand levelled and ready for the populace. The surface was for ice skating first, hockey and curling came later.

The first ice surface was a skating ring operated during the 1879-80 season on the eastern part of Ontario Street by the East Holland River. Another ice surface rink on the north side of Timothy Street just east of the railroad was constructed. It was not clear if the Rink was covered but measured 42 X 120 feet, was floored and used for roller-skating in the summer. In 1892 the first games of hockey were played in Newmarket against other communities. The first hockey club was formed on Nov 25, 1894 with F.H. Lloyd as the Captain. By 1897 a new skating ring was built for \$1,580.00. This timber structure was west of Main St just south of Davis Drive and supported both skating and curling at the same time.

Between the late 1900's and the 1920's there are several Newmarket team playing in the OHA and the Metropolitan leagues. Minor hockey began in the 1930's with an inter-school league which played outdoors. With players from the St. Johns Roman Catholic School, Alexander Muir, King George and Stuart Scott Public Schools, this school league held their finals for the next two decades on "Tom Kirk Night" (Sgt. Tom B. Kirk, founder of the School Night) which was the Spring sport highlight. These finals, before the artificial ice era, were usually played on slush or water covered ice.

As well, the first houseleague league per say, was the Town Juvenile Hockey League which was started in the early 1930's consisting of the Shamrocks, Royals, Black Hawks and the Maroons. Games started in late January. A Saturday morning league for squirt and peewees was organized by Francis Hollingsworth of the Recreation Commission. Later, the Newmarket Optimist Club sponsored a bantam age league. These games were played indoors on a frozen ice surface during the late 1940's.

The old rink was torn down and a newer one was built in the fall of 1922 as a memorial to soldiers of the First World War. The Newmarket Memorial Arena was converted into an artificial ice surface in the fall of 1949 and houseleague games were first played here on Saturday Dec 10, 1949. The arena was officially opened before 1,100 fans on Wednesday Jan 18, 1950 who watch the Barrie Jr A Flyers defeat a Metro League All-Star team 7-2.

Pre-discussion of organizing a minor hockey association took place at the arena on Wednesday September 26, 1956 with Don Warner as Chairman of this meeting. The various service clubs sent their representatives. For the Optimist Club were Mr. Ross Gooddard and Ray Smith. For the Rotary Club was Dr. C.E. VanderVoort. For the Canadian Legion was Mr. Matt Walsh. George Haskett represented the North York League and representing the Newmarket Recreation Commission was Mr. Francis Hollingsworth. The idea of a minor hockey association meet with general approval and a second meeting was scheduled to elect an executive. It was decided that the Recreation Commission would again sponsor Saturday morning hockey for the squirt (later novice) and peewee leagues as well as All-Star teams (Reps) for North York, OMHA and little NHL play. The Optimist Club would again sponsor a bantam team for North York competition and operate a town league to take in the bantam age group. Also, for the first time, there would be a Midget & Juvenile league.

On Wednesday October 3, 1956, the Newmarket Minor Hockey Association was formed "...to co-ordinate all minor hockey activity in the town and to facilitate maximum participation by as many boys as possible." Don Warner was elected Chairman (President). Ray Smith was the Vice-Chairman and George Haskett was the Secretary-Treasurer. Admission to all games were 10¢ for children and 25¢ for adults. An adult seasons pass cost \$3.00.

The ten squirt teams consisted of 150 boys 5 to 9 years of age. The six peewee teams had 90 players, aged 10 to 12 years. Both leagues were run by Director Francis Hollingsworth. The four Optimist bantam teams had 75 players aged 13 to 15 years old and Ross Goddard was the Commissioner. The four Midget & Juvenile teams consisted of 80 boys 16-20 years old and Don Warner was the Director. All games started on November 3. Player registration was 395 boys.

The first Championship Games were held on March 26. Annie's Lunch won the Squirt Division by a 6-4 score over Newmarket Motors. Brice Butchers captured the PeeWee title 3-2 over Davis Athletics and the Bantam division was won by the Optimist "Montreal Canadians" 8-5 in a two-game total point series against the "New York Rangers". The Ray-Mar team defeated the Hill Merchants team 19-7 in another two-game total-point series to win the Midget & Juvenile championship. In the Consolation Game, Newmarket Rotary Club defeated the Newmarket Lions Club 8-6.

Milestones of Newmarket Hockey

1879: The first mention of a skating rink was in an article in the *Newmarket Era* dated Nov 7. Mr. E. Pybus was making arrangements to open one on his property on Ontario Street which extended east of Main Street by the East Holland River. It's called the "*Lorne Rink*".

1880: Another ice surface operates on the north side of Timothy Street just east of the railroad tracks by the river. Messers Botsford and Hess purpose enlarging their rink to 42 by 120 feet and flood it in time for the first November freeze to the comfort and pleasure of their patrons. From an article in the *Newmarket Era*: The Rink- There was a large attendance at the Rink on Wednesday evening last (Feb 4) and the ice was in splendid condition. The Band was in attendance and contributed towards the pleasure of the evening. On Monday evening next a second Carnival is announced, and the Band will also be in attendance. Admission to non-members, 15¢, members 10¢

1882: *The Rink* is finally open in early January by proprietor Mr. Charles Ross. A good foundation was secured during a cold snap after several failed attempts due to warm weather. The Mill Pond, also known as Fairy Lake had frozen over by Nov 20 and was able to bear a small crowd. Several men were taking exercises on skates. "Shinny" was now to be revived.

1892: Earliest accounts of a Newmarket hockey team called the Maple Leafs. They played games on Fairy Lake against Aurora and Bradford. Players wore black socks and tights, knee length pants and jerseys. A Maple leaf was cut from ordinary felt with the "N" stamped on it. The puck was a rubber ball and tree-cut branches were used for sticks.

1894: The Newmarket Hockey Club is organized on Nov 25. J.D. McKay is the President and F.H. Lloyd is the Captain. Club colours are White & Blue.

1895: An inter-form High School hockey league was formed on Wednesday January 9. A game was played on *The Rink* Jan 16 between the Town and a High School team in front of 300 enthusiastic spectators. C. Montgomery of the town scores 3 goals in a 5-1 victory. It was stated that "...the girls of the school being noticable for the strength of their lungs." It was so cold at a high school hockey game on Monday Jan 28 that one Frank Lloyd had both feet frozen and had to be driven to classes. Several games are played on the Mill Pond Rink. Newmarket plays an exhibition in Barrie in late March inspite of the warm weather. Barrie wins 5-1.

1897: A new skating ring was built as an enclosed timber structure with a shingled roof and electrical lighting. It measured 79 x 150 feet, had separate sections for skating and curling, a 6 foot gallery for spectators and open Christmas Day afternoon. Skating was free to the public on Opening Day. The rink is used for carnivals, pleasure skating, hockey and curling. The first meetings to form a junior OHA team was held at the Piper House on October 18.

1899: First game of the Intermediate season was played on Dec 29, 1898 against Barrie resulting in a Newmarket victory 8-2 in front of 800 spectators. The manager was Capt J.Alfred W. Allan and Thomas F. Doyle was the Secretary-Treasurer.

1900: An article in the *Newmarket Era* dated Jan 19 mentions the Intermediate hockey club colours as Red and Black. Newmarket Juniors are eliminated by Midland 15 goals to 11 on the round. The Intermediates defeated Varsity II 25-11 on the round including 18-4 in the last game on January 19. They in turn were defeated by the Richmond Hill team 11-10. Newmarket Colts senior team defeated Richmond Hill team in two exhibiton games 12-1 and 7-1.

1901: The OHA Northern District consists of three teams-Barrie, Collingwood and Newmarket. The January 3rd 7-6 win over Barrie produced gate receipts of \$40.00. Newmarket is eliminated by Collingwood 5-0 in the January 24 playoff. Players sweaters have a "winged N" on the front.

1902: First District game of the OHA Intermediate Series was played in Newmarket on Friday Jan 10. Brampton was defeated 6-3 by the home team. The Newmarket Hockey Club won the Intermediate Group 7 District over Toronto Varsity Monday Jan 27 by a score of 5-3. As both team's colours were blue and white, Varsity volunteered to wear red sweaters. Newmarket was undefeated in all six league games. In the playdowns, Newmarket losses to the Hamilton Hockey Club 13-12 in a two game series.

1904: Newmarket Intermediate team is nicknamed the "*Talagoos*". They loose their series games with the Toronto Waverleys 20-11 on the round.

1905: On Thursday Jan 19 the Newmarket Intermediate OHA team trounces St. Georges of Toronto 27-3. Over 800 fans at *The Rink* watched Newmaket defeat Markham 16-7 on Tuesday Jan 24. But in the return game they fall 7-4. Newmarket finished second 4-2 to Markhams first place 5-1.

1907: The Toronto Argonaut Hockey Club was soundly beaten in a game against Newmarket on January 31 by the score of 18-5. Dr. Webb, standing a few feet behind the net has his nose broken from a wild shot. The Newmarket Seniors are defeated in a February 22 game against the Toronto College of Pharmacy 13-11.

1910: Intermediates defeat Richmond Hill 23-11 on the round. They defeat Torornto Canoe Club hockey team 23-2, St. Paul's of Toronto 7-4 but are eliminated by Collingwood 28-14 in a two game series. A High School hockey league is formed in late January between Aurora, Bradford, Newmarket and Pickering College.

1914: The Newmarket Hockey Club are winners of the Allan Moore Cup of the Metropolitan League.

1921: An article in the *Newmarket Era* dated Feb 25 mentions a girls hockey team from Newmaarket and Richmond Hill playing on Wednesday March 2. No score is reported.
