

Ukrainian kid's hockey school Vershyna needs your help

The war in Ukraine continues to take away more than just homes, it destroys lives and takes away dreams. A lot of children had to leave their homes and barely had time to collect their personal belongings, let alone any sports equipment.

Needed all hockey equipment which includes:

Helmets, Neck Guards, Shoulder Pads, Elbow Pads, Shin Pads, Jocks, Gloves, Hockey Pants, Jerseys, Hockey Socks, Hockey Sticks, Goalie Equipment, Skates and Hockey Bags

THE WAR FORCED MARK (on the left) TO LEAVE HIS HOME IN MARIUPOL AND MOVE TO ANOTHER CITY, BUT THAT DIDN'T MAKE HIM QUIT HOCKEY.

SINCE 2014, MARK AND HIS FAMILY HAVE MOVED TO 3 DIFFERENT CITIES DUE TO MILITARY OPERATIONS. INITIALLY FROM DONETSK, WHEREVER THEY MOVED, THE WAR FOLLOWED THEM.

FINALLY IN APRIL OF 2022, MARK'S FAMILY MOVED TO KYIV, WHERE HIS PARENTS IMMEDIATELY STARTED LOOKING FOR A LOCAL SPORTS SCHOOL. MARK WAS EXCITED TO RESUME HIS TRAININGS IN KYIV HOCKEY SCHOOL 'VERSHYNA'.

HAVING LEFT MARIUPOL IN A HURRY, HIS FAMILY BARELY HAD TIME COLLECT THEIR PERSONAL BELONGINGS LET ALONE ANY SPORTS EQUIPMENT. MARK IS JUST ONE OF THE HUNDREDS OF KIDS WHO LEFT THEIR HOMES WITH NOTHING.
